

Best Gift Ever!

Here's a gift idea, which, when your friends see it, will hit their foreheads saying why didn't they think of it !

The recipients of this gift certificate bring their baby to our studio 4 times at the stages of 3 months, 6 months, 9 months, and then 12 months for an hour long photo session. And at the completion of the plan, they will receive a panel (24"x8") of 4 portraits that are selected from each photo session. We have a sample of it shown below.

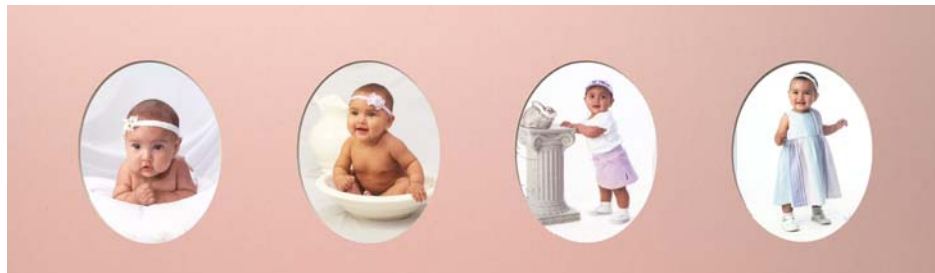

It's a panel of \$250 investment, but your cost will be only \$39.

Your friends will appreciate the gift for the rest of their life and even their baby, too. For the gift of portraits will not wear out over time but appreciates as time passes.

But Wait...There's More!

When you buy this Gift Certificate for only \$39, you get a \$50 photo credit from YouShine Photography just for being so smart, believing in what we stand for. You may purchase as many Gift Certificates as you wish. Call us if you have any question about this incredible gift, so we can explain it more in details.

In short, for giving your friend an incredible gift certificate shown below, you will receive from us a gift of \$50 value Photo Credit.

Baby's First Year Gift Certificate

"I wanted to give you a special gift that's priceless -
I could have given an outfit or something else that's nice -
But your baby will soon outgrow them all.
The joy this gift will bring you, however, can't be compared to any -
This gift will bring you joy unspeakable as you look at it. -
So enjoy this little gift from my heart - the first year just flies by -
When you see your baby's first year portraits
by YouShine Photography, you can't help but cry"

This gift entitles the bearer's baby to one year of photography at YouShine Photography for the stages of 3 months, 6 months, 9 months and 12 months. An 8" x 24" panel representing each of these stages will be presented upon completion of the plan.
